# How to use this wiper blade application guide

This Bluecol Wiper Blade guide has been compiled from vehicle manufacturer recommendations and / or additional data where available, and is up to date as far as we are aware at the time of printing. This guide is intended as a first-step source of information, which indicates the size of the wiper blade required for that vehicle.

Although considerable care has been taken to ensure that the information presented is complete and accurate, no liability, other than that which may not be excluded by law, can be accepted for damage, loss or injury caused by errors in this wiper blade guide.

- 1 Find the make of the car / van - these are in alphabetical order.**
- 2 Identify the model and year of registration. The list quotes both month and year of manufacture.**
- 3 The guide lists sizes of wiper blades required for drivers side, passenger side and rear window.**

In case of uncertainty, always consult your vehicle handbook or dealer.

Choose the **RIGHT** wiper blade for your vehicle
